**SWADESHI
SCIENCE
MOVEMENT
OF BHARAT**

About Vibha

India faces critical challenges as a nation in its march towards a welfare state. Considering the nature of the challenges which are so unique, only rapid strides in the sector of science and technology, in resonance with India's heritage can meet those challenges. In this context Vijnanabharati, a science movement with swadeshi spirit has a greater role to play.

Swadeshi Science Movement was started in Indian Institute of Science- (Bengaluru) by a few eminent scientists under the guidance of Prof. K I Vasu. This movement gradually gained momentum and emerged as an organization with national presence. In 1991 (Oct 20-21) at the Nagpur meet, it was decided, to launch the Swadeshi Science Movement at all India Level and named it as Vijnana Bharati.

Vijnana Bharati has units in 22 states across the country and contacts in 4 states. It is working in 11 different areas through autonomous institutions, independent organizations & also as project entities.

About VIBHA Brahmavart (Kanpur) Prant

'VIBHA, Brahmavart' is also known as VIBHA Kanpur Prant (U.P.), established in 2000 with generous blessings of Professor Rajendra Singh ji (Rajju Bhैया), renowned Nuclear Physicist and Teacher and registered under societies registration act in 2003. VIBHA Brahmavart is the oldest unit of Vijnana Bharati in Uttar Pradesh. The foundation principles of VIBHA Brahmavart are :

1. As a vibrant movement for the development of Swadeshi Sciences,
2. As a dynamic Science Movement with a Swadeshi Spirit, interlinking traditional and modern sciences on the one hand, and natural and spiritual sciences on the other hand,
3. As a Swadeshi Movement with modern sciences adapted to national needs,
